

Preliminary Amendment filed February 6, 2006  
U.S. Patent Application Serial No. 10/561,601

REMARKS

The specification has been amended herein for further clarity. In addition, claim 8 has been amended in order to more particularly point out and distinctly claim the subject matter which the applicants regard as their invention. It is submitted that no new matter has been added.

The above amendments are believed to place the claims in proper condition for examination. Early and favorable action is awaited.
